## ASSIGNMENT

5 WHEREAS, Paul Danton Huish, Laurie A. Jensen, Pule B. Libe, and Mark J. Fredrickson have made an invention or discovery entitled "DETERGENT COMPOSITIONS CONTAINING  $\alpha$ -SULFOFATTY ACID ESTERS AND METHODS OF MAKING AND USING THE SAME," which is described in the U.S. patent application attached hereto; and

10 WHEREAS, Huish Detergents, Inc., a Utah corporation whose address is 3540 West 1987 South, Salt Lake City, Utah 84125 ("Huish"), is desirous of acquiring all of the inventors' rights, title and interest in said invention or discovery:

15 NOW, THEREFORE, in return for good and valuable consideration, receipt of which is hereby acknowledged, I by these presents do assign, and transfer unto Huish, all of my rights, title and interest in and to the following: (1) said invention or discovery as described in said application, (2) said application, (3) any letters Patent issuing from said application, and (4) all intellectual property (including patent rights, trade secrets and copyrights) in or to said invention or discovery. Said assignment is without any geographic limitation and shall include the United States of America and all foreign countries. All of my rights, title and interest in said invention or discovery, said application, any Letters Patent issuing from said application and said intellectual property are to be held and enjoyed by Huish for its own use and behalf, and for that of its legal representatives and assigns, as fully and entirely as the same would have been held by me had this assignment not been made. Huish shall be free to assign, license or otherwise exploit said invention or discovery, said application, any Letters Patent issuing from said application, and said intellectual property.

20 25 30 AND I do further agree to sign all papers, make all rightful oaths and do all requisite acts for the filing of any disclaimer or for the filing and assignment of any other application (including divisional, continuing, reissue and foreign applications) based on the present application or said invention or discovery. Any such other applications are deemed to be part of the above assignment.

35 40 AND I do further agree to communicate to Huish, its successors, assigns or other legal representatives, such facts relating to said invention as may be known to me, and to testify as to such facts in any prosecution, interference or litigation.

Executed by the undersigned on the date indicated.
